

VERSACAMM® VS Series

VERSACAMM VS SERIES ECO-SOLVENT™ INKJET PRINTER/CUTTERS  
FEATURING OPTIONAL METALLIC SILVER ECO-SOL MAX INK

The blueprint for better printing.

 Roland®

# How to build the perfect printer.

Award-winning Eco-SOL MAX inks with White and Silver options for metallic colors and striking effects

Driven by included VersaWorks RIP software featuring powerful tools like spot color matching, media profiles, and metallic and texture libraries

Advanced features like a gold-plated print head and automatic ink circulation system for maximum performance

Roland OnSupport notifies you remotely of printer activity like when a job is done or ink is low

Integrated print/cut for unrivaled versatility and ease of use

Industrial steel construction for unmatched quality and reliability

VersaCAMM VS series  
30"/42"/54"/64" printer/cutters

View videos of the features shown here at [www.rolanddga.com/vs](http://www.rolanddga.com/vs).

## It starts with metallic ink and gets better from there.

With available widths up to 64", the VS series includes Roland's largest, fastest and most versatile VersaCAMM printer/cutters to date, designed to produce signs, banners, vehicle graphics and wraps, fine art, posters, packaging prototypes, labels, decals, POP displays, heat transfers for apparel and more. The VS series combines a new gold-plated print head technology with integrated print/cut capabilities, print speeds up to 248.6 sqft/hr\* in dual CMYK mode and advanced media handling for unmatched print quality and unattended production capabilities. Priced affordably, the VS is both an exceptional value and a powerful production tool.

### Choose from 3 ink configurations:

#### **Metallic Silver & White**

CMYK, Lc, Lm, Silver and White

Print metallic silver ink as a spot color or combine with CMYK

- 3 years outdoor durability for CMYK, 1-3 years for metallic, 1 year for white\*\*

#### **Dual CMYK**

CMYKYYMC

The highest print speeds and no chromatic banding due to the mirrored ink order

- Maximum speed of 248 sq ft/hr\*
- 3 years outdoor durability\*\*

#### **6-Color LcLm**

CMYKLcLm

Flawless flesh tones and improved image quality across light colors

- Superior color gamut and image quality
- 3 years outdoor durability\*\*

"The VS gives us a pricing advantage because of the wide range of materials it can run, and the metallic effects seal the deal."

Tony Fracasso, co-owner Vinyl Graphics, Cheektowaga, New York
